1 Move 5

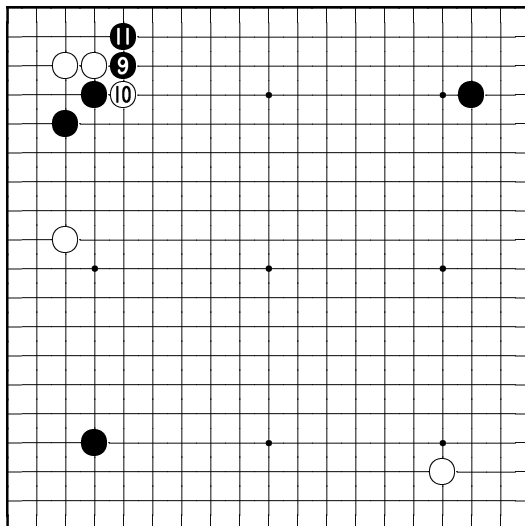

2 Move 18

After this black can't do anything to avoid being captured (because of white's stone at 18)

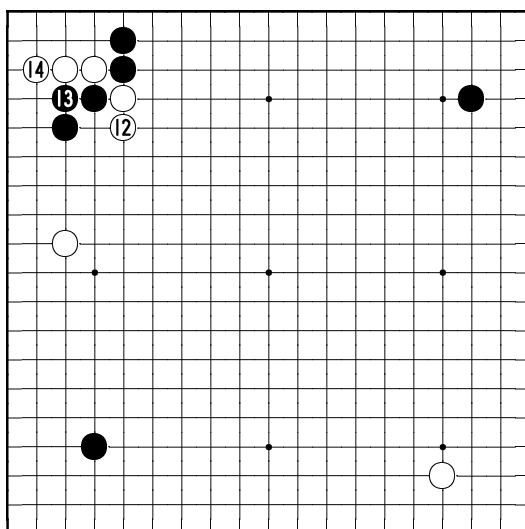

3 Move 11

So here's where this joseki starts getting complicated.

Looking online, it seems white should play A

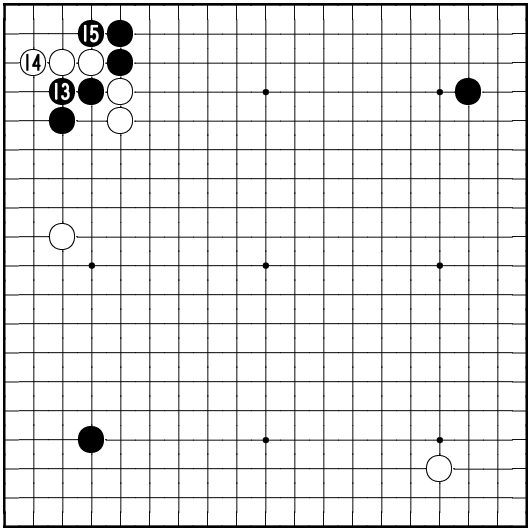

4 Move 14

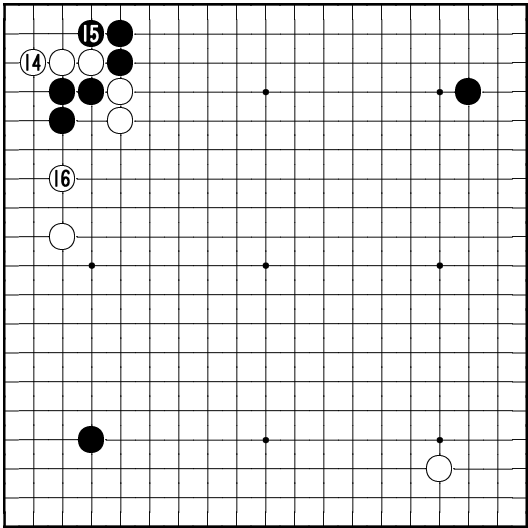

Up to here seems to be forced.

Black has choices of A to C

5 Move 15

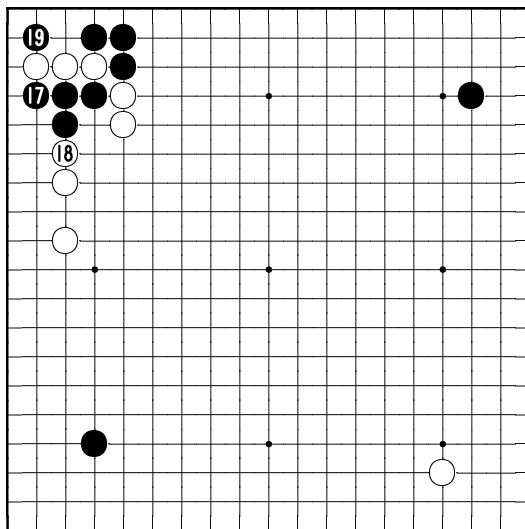

6 Move 16

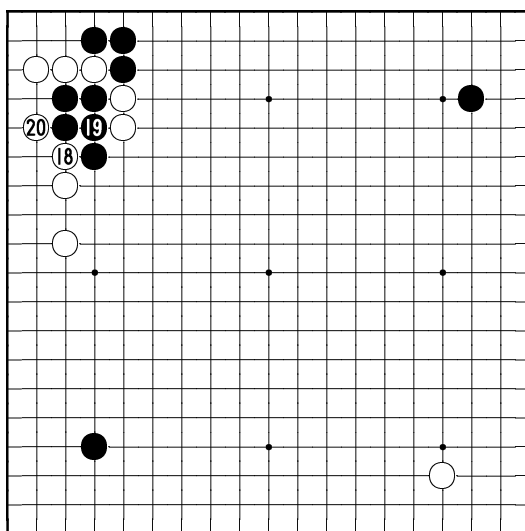

Another option

7 Move 19

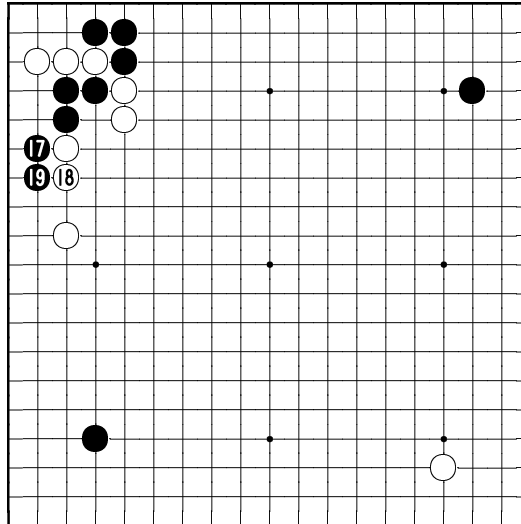

Simple way, sealed in

8 Move 20

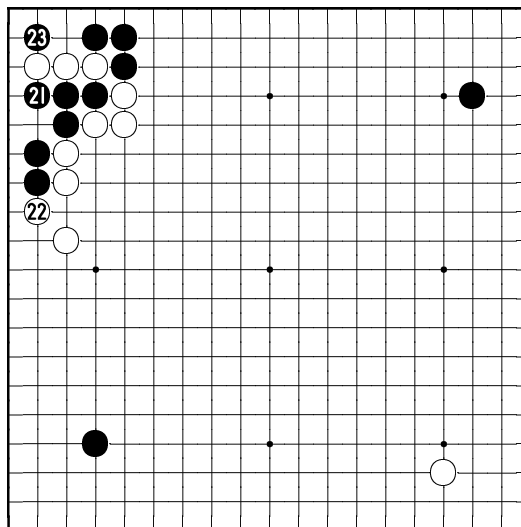

Black's mistake

9 Move 19

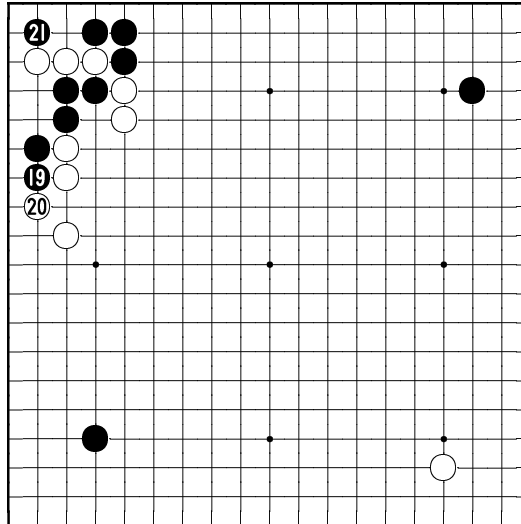

10 Move 23

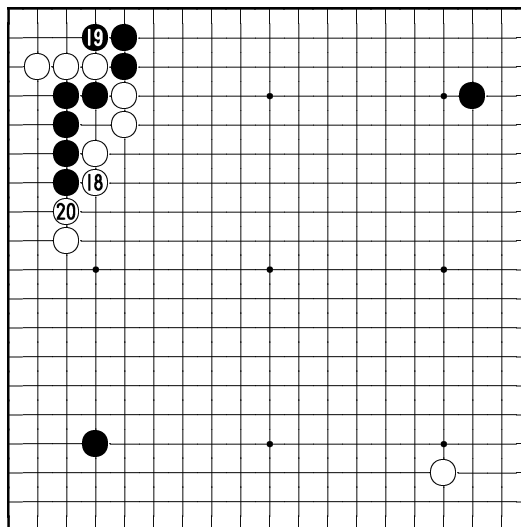

Similar variation

11 Move 21

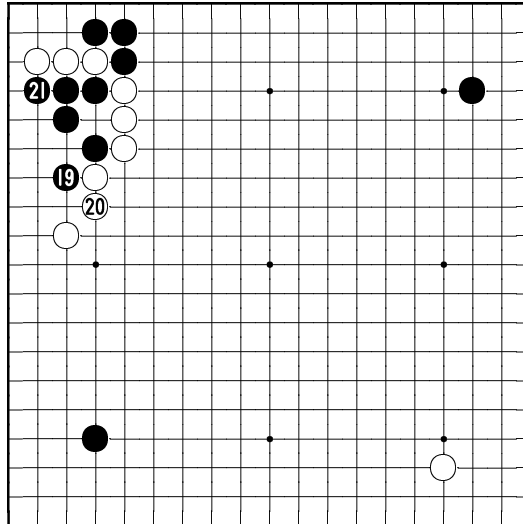

Black's profit good enough?

12 Move 20

Simple way, but still sealed in

13 Move 21

I just really don't like getting sealed in

14 Move 224
