1 Move 97

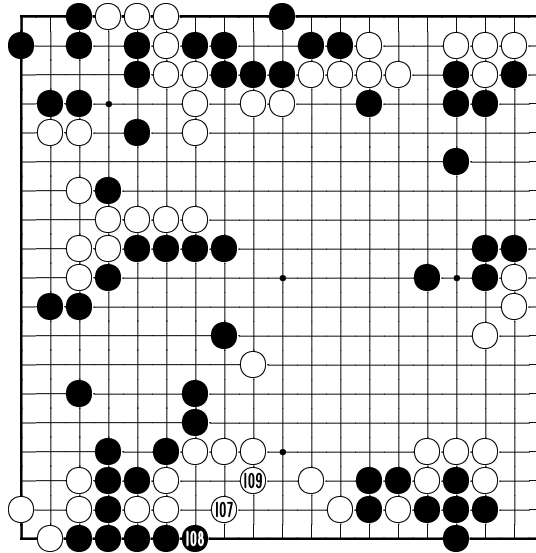

2 Move 105

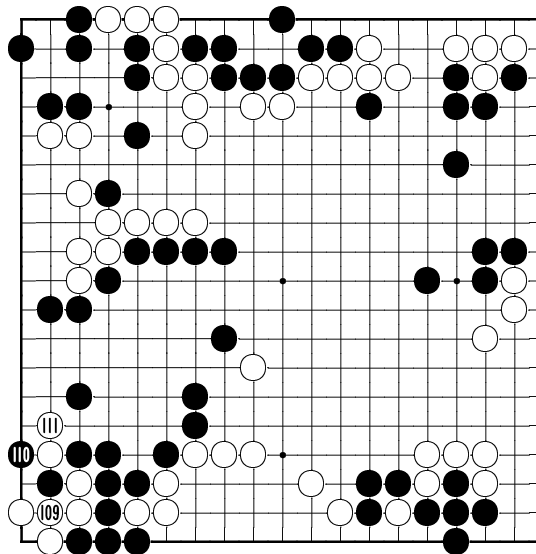

White lives

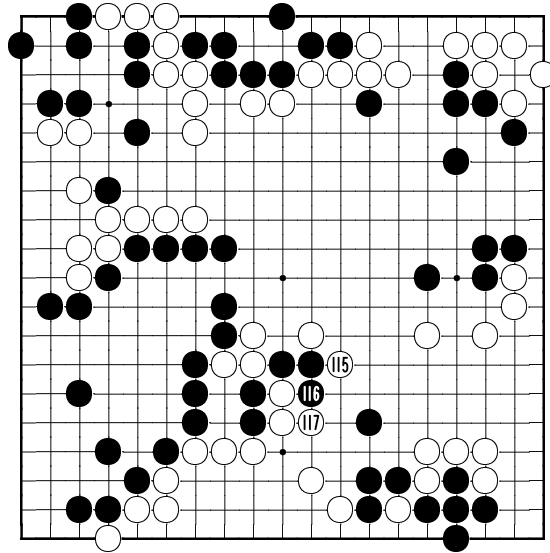

3 Move 109

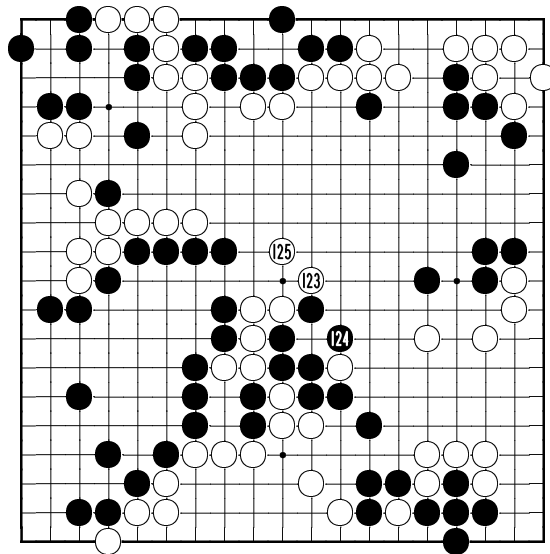

4 Move 111

5 Move 117

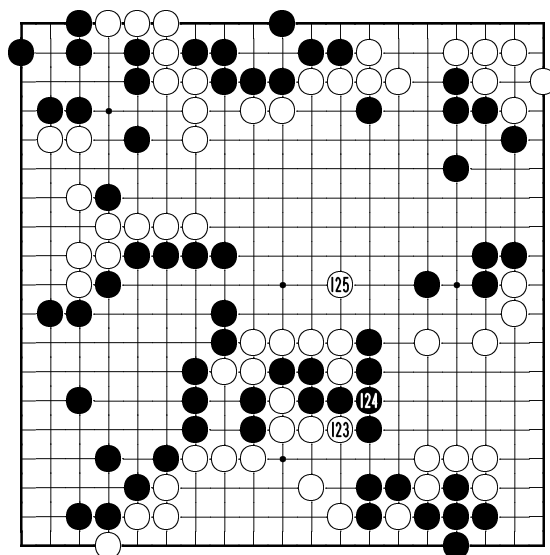

6 Move 125

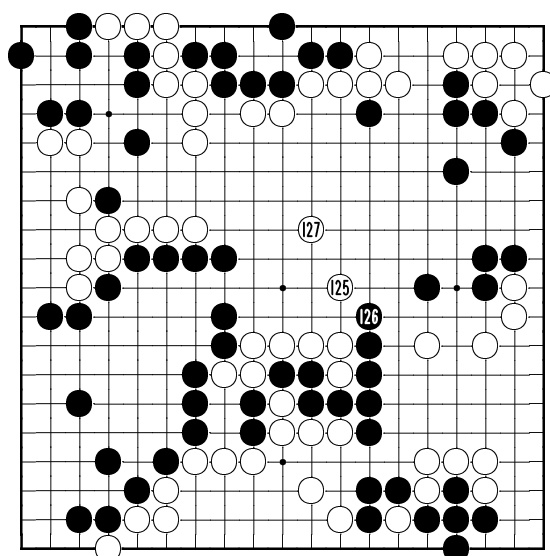

A different option

7 Move 125

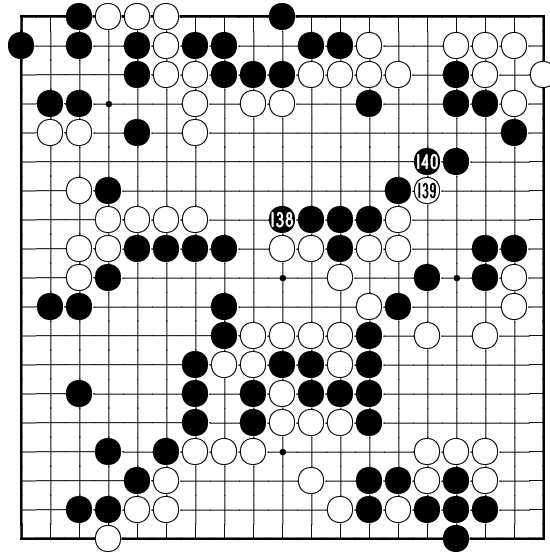

8 Move 127

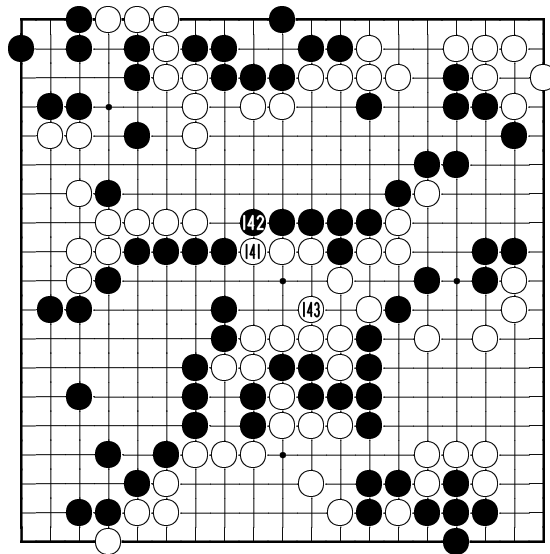

At this point it's very hard to attack white's group, and it's still difficult to figure

9 Move 140

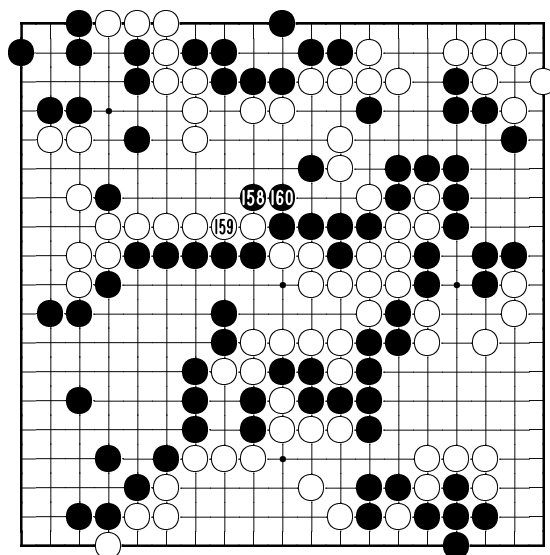

10 Move 143

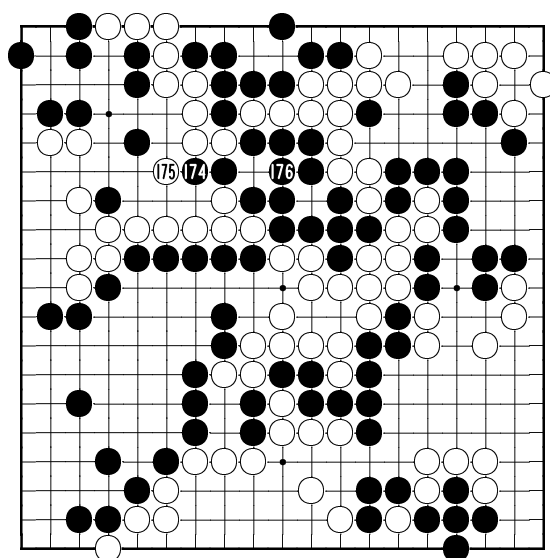

So I think white lives like this...

However, now I would be fairly confident of winning, having torn up white's territory in

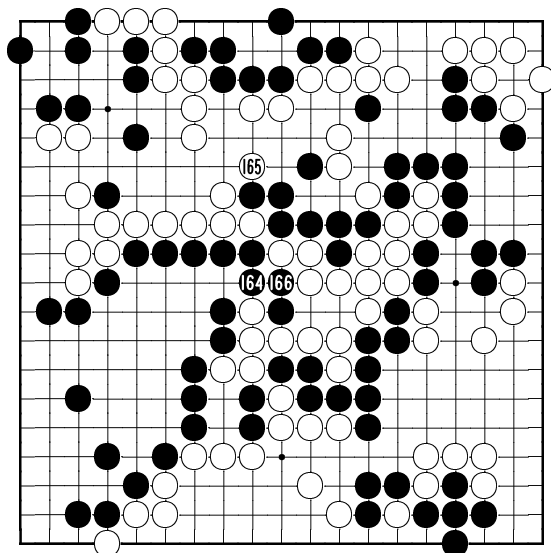

11 Move 160

12 Move 176

13 Move 166

Caokao [2k]: thx
Caokao [2k]: gg
shai [1d]: ggth
